

# NSL-F Potentiometric Level Sensor

## Process data description

Name	Description	Data type	Bit length	Bit offset	Value range	Gradient	Offset	Unit
Continuous Level	Measurement Value of Continuous Level	Float 32T	32	0	Depends on rod length	1	0	%, mm, m, inch, feet
Adhesive Detection	Measurement Value of Adhesive Detection	Float 32T	32	32	-	1	0	-

### PLC input mapping
